PROXY STATEMENT

The enclosed proxy is solicited on behalf of the Board of Directors for use at the Annual Meeting of Stockholders of Atlantic Tele-Network, Inc., a Delaware corporation (the "Company"), to be held on April 30, 1997 at 10:00 a.m. for the purposes set forth in the accompanying Notice of Annual Meeting, or at any adjournment thereof. It may be revoked, by written notice or by furnishing a proxy subsequent in time, at any time prior to its use. All shares represented at the meeting by properly executed proxies will be voted as specified and, unless otherwise specified, will be voted FOR the election of the nominees set forth herein under "Election of Directors" and FOR ratification of the selection of Deloitte & Touche as independent public accountants for the fiscal year ending December 31, 1997.

Only stockholders of record at the close of business on April 16, 1997 will be entitled to vote at the meeting. On that date, 12,272,500 shares of common stock, par value \$.01 per share (the "Common Stock"), were outstanding, each such share of stock having one vote.

Other than the election of directors, which requires a plurality of the votes cast, each matter to be submitted to the stockholders requires the affirmative vote of a majority of the votes cast at the meeting. Votes will be tabulated by inspectors of election appointed by the Company's Board of Directors. Except for quorum purposes, abstentions and votes withheld will have no legal effect.

This Proxy Statement, the attached Notice of Annual Meeting and the enclosed proxy card are first being mailed to stockholders of the Company on or about April 18, 1997.

The Company will bear the cost of this solicitation of proxies. Proxies may be solicited by mail, personal interview, telephone and telegraph by directors, officers and employees of the Company and its subsidiaries without receiving additional compensation. Upon request, the Company will also reimburse brokers and others holding stock in their names, or in the names of nominees, for forwarding proxy materials to their principals.

Directors, officers and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, during the Company's fiscal year ended December 31, 1996, all Section 16(a) filing requirements as well as all National Association of Securities Dealers Automated Quotation System filing requirements applicable to its directors, officers and ten-percent stockholders have been complied with. Four Form 4s with respect to four transactions involving the disposition of 500,000 shares by Mr. Prosser in 1996 were filed late, and five Form 4s with respect to ten transactions relating to 51,500 shares purchased in 1995 and 1996 by unaffiliated independent investment advisors for the benefit of Mr. Prosser's adult and minor children were recently filed. In making these statements, the Company has relied upon written representations of its directors, officers and ten-percent stockholders and copies of reports they have filed with the SEC.

BENEFIT PLANS

Defined Benefit Pension Plan and Trust Agreement. The Company has a Defined Benefit Plan and Trust Agreement (the "Pension Plan") which covers all employees of the Company and its subsidiaries, except GT&T, who are not members of a collective bargaining unit and who have attained age 21 and have completed one year of service. Pension costs are borne by the Company and determined annually on an actuarial basis, with contributions made accordingly. Estimated annual benefit levels under the Pension Plan, as of January 1, 1997, based on earnings and years of service at retirement are as follows:

PENSION PLAN TABLE

REMUNERATION	YEARS OF SERVICE AT RETIREMENT

375,000	99,630	132,840	166,050	199,260	232,470

Benefits payable under the Pension Plan are based on the average of a participant's highest five years of annual compensation during the last ten years of employment prior to retirement. The compensation covered by the plan for the named executive officers is generally the amount reported in the "Salary" column of the Summary Compensation Table.

The basis on which the above benefits are computed is a straight-life annuity and the amounts shown in the table are net of a deduction for Social Security benefits payable and benefits payable under the ITT Plan (as defined below). The benefit levels include additional amounts payable to Messrs. Prior and Prosser, pursuant to employment agreements which provide supplemental annual pension benefits, as described in the following paragraph. The credited years of service under the Pension Plan as of December 31, 1996, are as follows: Messrs. Prior--nine years; Prosser--nine years; Kean--28 years; Heying--six years; Sharp--15 years. Mr. Minnich does not participate in the Pension Plan.

Prior to June 24, 1987, Vitelco was owned by ITT Corporation ("ITT"). With respect to participants in the Pension Plan who participated in the Retirement Plan for Salaried Employees of ITT (the "ITT Plan") prior to the acquisition of Vitelco by ATN-VI, such participants' credited years of service under the ITT Plan are included in calculating their years of service under the Pension Plan. However, benefits payable to such participant under the Pension Plan are offset by the accrued benefits payable under the terms of the ITT Plan. Messrs. Prior and Prosser are entitled, under employment agreements with ATN-VI in effect from June 1987 to June 1990, to supplemental annual pension benefits equal to the difference between the amount, if any, which they actually receive under the Pension Plan and the amount which they would have received, under the Pension Plan benefit formula currently in effect as described above, had all compensation paid to them by the Company or any of its subsidiaries been considered compensation for purposes of the Pension Plan and, in Mr. Prior's case, had he been an employee covered by the Pension Plan since June 1982. These supplemental pension benefits are fully vested.

BOARD OF DIRECTORS' REPORT ON EXECUTIVE COMPENSATION

The Board of Directors does not have a Compensation Committee or other committee performing a similar function. The Board of Directors did not review the compensation of executive officers for fiscal year 1996.

COMPENSATION OF DIRECTORS

Directors who are not officers of the Company are paid an annual fee of \$30,000 plus \$2,500 for each meeting of the Board of Directors they attend.

CERTAIN TRANSACTIONS

The law firm of Raynor, Rensch & Pfeiffer has from time to time performed legal services for the Company, for which it has received its customary fees. John P. Raynor, a director of the Company, is a partner in this firm. In 1996, Raynor, Rensch & Pfeiffer was paid \$533,000 for such legal services.

The Company has from time to time consulted with Global Partners regarding possible acquisitions. Sir Shridath S. Ramphal, a director of the Company, is a partner of Global Partners.

In March 1996, the Company acquired an option from an independent third party to acquire various rights to a license granted by the Federal Communications Commission after public auction to provide multi-channel, multi-point distribution service in the U.S. Virgin Islands, and the Company began planning to offer wireless distribution of television programming under such license. On or about July 31, 1996, the Board of Directors concluded that this project did not constitute an appropriate investment of ATN's efforts and resources, and Mr. Prior purchased all of ATN's rights to the license and the project for approximately \$1.2 million plus an assumption of certain ongoing obligations of the Company in the project. The purchase price approximated the aggregate amount spent by the Company in the project. The purchase price is evidenced by a promissory note of Mr. Prior, which bears interest at the prime rate and is currently due to mature upon the closing of the split-up of the Company into two separate public companies, one controlled by Mr. Prior and one by Mr. Prosser, which was publicly announced in January 1997. The note is partially secured by a 9.58% note of the Company to Mr. Prior in the unpaid principal amount of \$222,000, which becomes due and payable on the same date.
